

Quad City Section Recipients of [ASABE, CSBE and ISTVS National Awards](#)

[McCormick-Case Gold Medal](#)

Theo Brown 1935
Carlton L. Zink 1970
David W. Smith 2007

[SMV Technologies Ergonomics, Safety and Health Award](#)

Murray D. Madsen 2001
Michael D. Senneff 2008
Michael S. DeSpain 2010

[New Holland Young Researcher Award](#)

Roscoe L. Pershing 1973
David W. Smith 1982

[Sunkist Young Designer Award](#)

Douglas L. Bosworth 1973
Roger W. Curry 1976
Daniel J. Burke 2004
Brian J. Maas 2005
Dohn W. Pfeiffer 2006
Miles R. Keaton 2007
Nathan A. Mariman 2008
Ryan P. Mackin 2010
Todd E. Van Hal 2012
Brianna L. Heim 2014
Anne E. F. Ryerson 2015

[Rainbird Engineering Concept of the Year Award](#)

Composite Panels 2005
Brian Maas
Greg McCunn
CNH Module 2009
Express Cotton Picker
Tracy Archer
Michael Horejsi
Jesse Orsborn
Kevin Richman

John Deere 2013
600 Series HydraFlex Draper
Chad A. Dow
Jeffrey A. Nelson
Michael W. Mossman
Bruce A. Coers
Krishna S. Potluri
Alexander B. Lassers
Corwin M. Puryk
Daniel S. Hoffman
Brian A. Herringshaw

[Evelyn E. Rosentreter Standards Award](#)

Barrie L. Smith 2002
Michael D. Senneff 2010

[Gale Holloway Professional Development](#)

Chad Yagow 2008
Shannon Brockmann 2010
Mark Bowers 2013

[K. K. Barnes Student Paper Award](#)

Todd E. Van Hal 1995

[Student Engineer of the Year](#)

Todd E. Van Hal 1995
Scott N. Clark 2012

[ASABE Historic Landmarks](#)

[Self-Scouring Steel Plow 1976](#)
[Shielded Snapping Rolls 1998](#)

[CSBE Young Engineer Award](#)

Carol Plouffe 2005

[ISTVS Bekker-Reece-Radforth Award](#)

Robert D. Wismer 2005

Quad City Section Members Receiving ASABE National Recognition

ASAE Presidents:

Stanley M. Madill	1951-52
Charles S. Morrison	1965-66
Douglas L. Bosworth	1992-93
Lyle E. Stephens	2002-03
Robert J. Gustafson	2003-04 (Orion [Illinois] High School graduate)

ASABE Fellows:

Carlton L. Zink	1966
Harold V. Hansen	1969
Kenneth W. Anderson	1970
Murray W. Forth	1971
John E. Hoffman	1972
Arnold B. Skromme	1972
W. A. Watts	1972
Homer D. Witzel	1973
Wayne E. Slavens	1975
John L. French	1976
Bernard F. Vogelaar	1977
William A. Hewitt	1981
Donald A. Murray	1982
Douglas L. Bosworth	1984
John W. Ackley	1986
Roscoe L. Pershing	1986
Page L. Bellinger	1987
Lyle E. Stephens	1992
Roy E. Harrington	1993
David W. Smith	1994
Leroy K. Pickett	1998
Barrie L. Smith	2003
John F. Reid	2005
Lawrence (Larry) Gay	2010
Carol Plouffe	2012

ASAE Vice Presidents and Council Chairs:

Arnold B. Skromme	1966-69	Vice President
Douglas L. Bosworth	1979-82	Regional Vice President
John W. Ackley	1985-88	Regional Vice President
Leroy K. Pickett	1986-89	Technical Vice President
Roy E. Harrington	1987-90	Professional Vice President
Lyle E. Stephens	1996-97	Professional Vice President
Lyle E. Stephens	1997-98	Chair, Meetings Council

Barrie L. Smith 1999-03 Chair, Standards Council

ASAE Board of Directors:

Murray W. Forth	1969-70	Illinois-Wisconsin Region
Roscoe L. Pershing	1979-81	Professional Development
Ralph Gerhardt	1980-82	Illinois-Wisconsin Region
John W. Ackley	1981-83	Power and Machinery
Roy E. Harrington	1982-84	International
Leroy K. Pickett	1983-85	Power and Machinery
Lyle E. Stephens	1984-86	Publications
Ralph Gerhardt	1986-88	Awards
John E. Wilson	1986-88	Illinois-Wisconsin Region
David W. Smith	1990-92	Publications
David W. Smith	1997	Power and Machinery

ASAE Board of Trustees:

David W. Smith	1999-01
Marilyn A. Dumolien	2000-02
Barrie L. Smith	2003-05
John F. Reid	2003-05

ASABE Board of Trustees:

Travis Unterzuber	2005-07
Shannon Brockmann	2009-11
Chad Yagow	2010-12

ASABE Distinguished Lectures:

Keith L. Pfundstein	1984 (Managing Tomorrow's Product Safety and Liability: The Engineers' Challenge)
Ray A. Brandt	1988 (Reliability in Design, co-author: William Brixius)
Jack C. Wiley	2008 (Power Hop Instability of Tractors, co-author: Reed Turner)

Quad City Section Members Serving as Agricultural Equipment Technology Conference (AETC) Chair:

Lyle E. Stephens	1998
James Hitch	1999
David W. Smith	2002
Chad Yagow	2010
Chad Yagow	2011

Quad City Section Members Selected as ASABE Candidates for [“New Faces in Engineering”](#) E-Week Promotion Campaign

Mark Bowers	2010
Eric Windeknecht	2011
Cary Slominski	2011
John Andruch	2013
Will Corman	2013
Matt Wold	2013
Jeremiah Johnson	2015
Scott Clark	2016

Books Related to Agricultural Engineering:

Larry Gay	Farm Tractors 1975-1995 A Guide to Hart-Parr, Oliver and White Farm Tractors 1901-1996 A Guide to Ford, Fordson, and New Holland Tractors 1907-1999 Farm Tractors 1995-2005
Roy Harrington	John Deere Tractors and Equipment – Volume Two, 1960-1990 (coauthored with Don Macmillan) A Tractor Goes Farming Grandpa’s John Deere Tractors How John Deere Tractors & Implements Work Genuine Value – The John Deere Journey (author of Product Timeline section)
David Smith	Tractors and Their Power Units, 3 rd & 4 th editions (author of chapter on tractor dynamics) Off-Road Vehicle Engineering Principles (author of chapters on traction and tractor dynamics)

ASAE/ASABE Presidential Distinguished Service Awards:

Lyle E. Stephens	1989	for outstanding service as Publications Director, member of the Agricultural Engineering magazine Editorial Board, and as chairman of the Agricultural Engineering magazine Task Force
Thomas E. Hitzhusen	1992	for his leadership in chairing the Society's Safety Study Committee
David W. Smith	1994	for outstanding service as Publications Director and in the Engineers for Education program

David W. Smith	1997	for outstanding service as ASAE's representative to the CAST Board of Directors
Lyle E. Stephens	1998	for dedicated service to ASAE by providing leadership in the development of the 1998 AETC
Lyle E. Stephens	1998	for dedicated service to ASAE by providing leadership in the development of an inclusive process for the newly created coordination Councils and in so doing, demonstrating commitment and flexibility by serving in a position different than that to which they had been duly elected by their peers
John F. Reid	2000	for his tireless enthusiasm and successful efforts towards the revitalization of Sections
Chad Yagow	2000	for distinguished leadership as the National Preprofessional Council Vice President
David W. Smith	2001	for his work on updating the ASAE Constitution and Bylaws
Chad Yagow	2001	for distinguished leadership as the National Preprofessional Council President
Barrie L. Smith	2001	for dedicated service to the Society by providing outstanding leadership to the standards program as Chair of the Standards Council through promotion of ASAE standards development activities, improvement of our processes and exceptional support to the program during the search for a new director
Barrie L. Smith	2003	for many years of extraordinary service to ASAE, most recently as Chair of the Standards Council, leading a member Standards Training and Education Program
Chad Yagow	2003	for leading the development of a Young Professionals Community in ASAE to increase the value of ASAE membership to potential young members
Barrie L. Smith	2004	for his outstanding leadership in organizing the 2004 ASAE/CSAE Annual International Meeting in Ottawa, Ontario, Canada and for creating a partnership between Agriculture and Agri-Food Canada and ASAE

Chad Yagow	2005	for distinguished service to the Society by developing and seeing through to implementation a dues review process thereby ensuring the ASAE dues structure and categories will be systematically reviewed on a regular basis
Lyle E. Stephens	2006	for service to the Society and leadership as chair of the ASABE Centennial Task Force to commemorate ASABE's 100 th Anniversary
Barrie L. Smith	2009	for his many years of commitment to and guidance of the Standards Program. His dedicated and exceptional leadership was instrumental in the development and marketing of a standards database that helps manufacturers identify and apply standards to their projects
Barrie L. Smith	2010	for service on the Executive Officer Search Committee
Chad Yagow	2010	for providing outstanding leadership during the major transition of moving the AETC conference from the long established Louisville venue to align with the new AEM AgConnect show in Orlando
