

ASAE QUAD CITY SECTION ACTIVITIES: 2009-2017

2009-2010	Chair: Eric Windeknecht	Committee Chairs:	
	Chair-Elect: Joel Werling	Awards	David Smith
	Past Chair: Mark Bowers	Communications	Marilyn Dumolien
	Treasurer: Curt Elpers	Continuing Education	Joel Werling
	Secretary: Joel Werling	Great Lakes Conference	Brad Yanke
	Nominating: Nathan Vandike, Chair	Membership	Will Corman
	Will Corman	Newsletter	David Smith
	Todd Van Hal	Program	Eric Viall
		QCESC Liaison	Joel Werling
		Scholarship	Mark Bowers
		Suppliers Coordinator	Cody Freehill
		Young Professionals	Clifford Pim
			Kent Brown

Note: Ed Farwell was elected as the 2009-2010 Chair-Elect but later resigned this position. Joel Werling then graciously agreed to fill this position.

July 9, 2009 - "Summer Slam" Social Outing to River Bandits Baseball Game sponsored by the Young Professionals group.

October 13, 2009 – Viking Club, Moline, Illinois. Attendance: 43

- 1.) Discovering, Delivering, Yielding – Tom Eickhoff, Manager, Learning Center, Monsanto
- 2.) A Look at Future Corn Production & Possible Implications for Agricultural Equipment – Fritz Behr, Vice President of Research, Wyffels Hybrids
- 3.) Design & Development of 8R/8RT John Deere Tractors – Kyle Seibold, Operator Station Engineer, John Deere Waterloo Works
- 4.) GreenSeeker, An Overview of the Technology, Application & Adoption in Production Agriculture – Russ Linhart, Product Specialist, Trimble Navigation, Agriculture Division
- 5.) Evening Speaker: Waxman-Markley: Costs Outweigh Opportunities for Illinois Farmers, Adam Nielsen, Director of National Legislation & Policy Development, Illinois Farm Bureau

November 18, 2009 – Continuing Educational Seminar, John T. Blong Technology Center, Davenport, Attendance: 21.

- 1.) HALT – Highly Accelerated Life Test – Mustafa Naviwala and Leo Bityou, Trace Laboratories, Palantine, Illinois.

January 21, 2010 – Viking Club, Moline, Illinois. Attendance: 39

- 1.) Documented Savings with Innovative Products – T. J. Taylor, Director, Global Technical Services, Drives, LLC.
- 2.) Latest Advancements in Adhesives, Sealants and Surface Treatments – Neil Feczko, Henkel Corporation.
- 3.) Robotic Technology - Harlon Neumann, Director, Industrial Genesis System Group, LLC, Davenport.
- 4.) European Union Safety Integrity Level Legislation Compliance Challenges, Josh Shircliff, Systems & Application Engineer, Sauer Danfoss, Ames, Iowa.
- 5.) Evening Speaker: Additive Manufacturing - Dr. James Sears, Executive Director, Quad Cities Manufacturing Lab, Rock Island Arsenal.

February 24, 2010 - Social Event.

- 1.) Engineers on Ice⁴ - Quad City Mallards Hockey Game, Moline, Illinois. Sponsored by the Young Professionals group.

March 23, 2010 – Viking Club, Moline, Illinois. Attendance: 43

- 1.) History of the Rock Island Rapids – Samantha Heilig, Park Ranger, U. S. Army Corps of Engineers, Rock Island District.
- 2.) Demand Rate Electrocoat – Optimizing Your Supply Chain – Brent Schwartz, Vice President, Engineering, MetKote Corporation.
- 3.) Heat Treating for High Wear Applications – Nick Bugliarello, General Manager/Metallurgist, Bodycote, Melrose Park Division.
- 4.) Evening Program: Section Awards Presentations

April 29, 2010 - Tour

- 1.) Genesis Systems Group, Davenport

2010-2011	Chair: Joel Werling	Committee Chairs:	
	Chair-Elect: Anne Ryerson	Awards	David Smith
	Past Chair: Eric Windeknecht	Communications	Marilyn Dumolien
	Treasurer: Jim Shoemaker	Continuing Education	Joel Werling
	Secretary: Mehari Tekeste		Mehari Tekeste
	Nominating: Will Corman	Membership	Will Corman
	Lindsay Hodnefield	Newsletter	David Smith
	Greg Long	Program	Eric Viall
			Joel Werling

		Suppliers Coordinator	Clifford Pim

September 9, 2010 - "Summer Slam" Social Outing to River Bandits Baseball Game sponsored by the Young Professionals group.
Attendance: 14

October 26, 2010 – Viking Club, Moline, Illinois. Attendance: 45

- 1.) Discover Rotational Molding – The Potential of Plastic – Dan Grimes, Lead Research & Development Engineer, Centro Incorporated
- 2.) Lavender Crest Winery – Martha Rittmueller, Co-Owner of Lavender Crest Winery
- 3.) Illini Pullers: Fix What's Broke – Stephen Corban, Engineer, John Deere Harvester Works
- 4.) PGA Tour Event Preparation – Paul Grogan, Director of Golf Course Maintenance & Operations, TPC Deere Run
- 5.) Evening Speaker: The 50 Year Anniversary of Deere Day in Dallas – Larry Gay, Tractor Historian

November 18, 2010 – Continuing Educational Seminar, Deere & Company Auditorium, Moline – Attendance: 10

- 1.) Mechatronics and Robotics – J. Daniel Britton, Adjunct Professor, Western Illinois University, School of Engineering, Quad Cities Campus.

January 27, 2011 – Viking Club, Moline, Illinois. Attendance: 53

- 1.) Case IH Tier 4 Educational Efforts – Leo Bose, Manager, Commercial Training, Case IH North America.
- 2.) Lexion 700 Series Combines – Jeff Gray, Senior Product Specialist. CLAAS.
- 3.) Evening Speaker: Western Illinois University School of Engineering - Dr. William Pratt, Director, School of Engineering, Western Illinois University, Quad Cities Campus.

February 18, 2011 - Social Event.

- 1.) Engineers on Ice⁵ - Quad City Mallards Hockey Game, Moline, Illinois. Sponsored by the Young Professionals group. Attendance: 19

March 22, 2011 – Viking Club, Moline, Illinois. Attendance: 47

- 1.) Sivyer Steel: History & Impact – Timothy Mohs, Vice President, Operations, Sivyer Steel, Bettendorf.

- 2.) Narrow Row Corn Agronomics & Calmer Harvest Machinery – Marion Calmer, President, Calmer Ag Research and Owner/Operator of Calmer Farms.
- 3.) Evening Program: Section Awards Presentations

April 19, 2011 – Tour. Attendance: 22

- 1.) USDA National Center for Agricultural Utilization Research, Peoria (held jointly with the ASABE Central Illinois Section) Attendance: 1 (from Quad City Section)

2011-2012	Chair: Anne Ryerson	Committee Chairs:

		Young Professionals open

July 28, 2011 - “Summer Slam” Social Outing to River Bandits Baseball Game sponsored by the Young Professionals group. Attendance: 12

October 25, 2011 – Viking Club, Moline, Illinois. Attendance: 62

- 1.) Kinze Autonomy Project – Jon Sievers, Patent and Corporate Counsel, Kinze Manufacturing
- 2.) Field Experience from the 8R and 8RT ‘Intelligent’ John Deere Tractors – David Hoffman, Global Tractor Platform Support Leader, John Deere Product Engineering Center, Waterloo
- 3.) Evening Speaker: New World Order – Bharat Vedak, Deere & Company Vice President for TCI and Deliver Customer Value

November 15, 2011 – “Engineers on Ice⁶” Social Outing (speaker, dinner and Quad City Mallards Hockey Game) – ASABE Quad City Section Young Professionals with QCESC and ASM. Attendance from ASABE QC Section: 14

January 26, 2012 – Viking Club, Moline, Illinois. Attendance: 52

- 1.) Nuclear Energy in America – Safe, Clean and Reliable – William Stoermer, Senior Communication Manager, Exelon Nuclear

- 2.) Hybrid Electrification in the Construction & Forestry Business – Joe Mustanduno, Product Marketing Manager, Engine/Driveline, Construction & Forestry Division, John Deere
- 3) Evening Speaker: The How and Why of Digital Human Modeling – Dr. Tim Marler, Senior Research Scientist, Virtual Soldier Research Program, University of Iowa

February 16, 2012 – Continuing Educational Seminar, Deere & Company Auditorium, Moline – Attendance: 21

- 1) Introduction to the CAN Protocol – Aaron Galbraith, Senior Project Engineer, Vector-CANtech

February 25, 2012 – Engineering Week outreach activity at the Bettendorf Family Museum

March 27, 2012 – Viking Club, Moline, Illinois. Attendance: 60

- 1) Water and Nutrient Management and the Effect on Crop Yields, Larry Hendrickson, Senior Staff Agronomist, Deere Technology Innovation Center, Champaign.
- 2) John Deere 600 Series HydraFlex Draper Platform, Chad Dow, Senior Engineer, John Deere Worldwide Crop Harvesting Design Center, Silvis. Presentation on the recipient of 2012 Outstanding Engineering Achievement Award
- 3) Evening Program: Section Awards Presentations

April 17, 2012 – Tour. Attendance: 23

- 1) Kinze Manufacturing, Williamsburg, Iowa

2012-2013	Chair: Will Corman	Committee Chairs:	
	Chair-Elect: Mehari Tekeste	Awards	David Smith

November 17, 2015 – Viking Club, Moline, Illinois. Attendance: 37

- 1.) Filament Wound Self-Lubricating Bearings – Charles Woods, Global Product Manager, GGB Bearing Technology.
- 2.) Agricultural Robotics: Fantasy or Future? – Tony Grift, Associate Professor, Agricultural and Biological Engineering Department, University of Illinois.
- 3.) Evening Speaker: Feed the World in 2050 - Tony Grift, Associate Professor, Agricultural and Biological Engineering Department, University of Illinois.

January 19, 2016 – Thunder Bay Grille, Davenport, Iowa. Attendance: 55

- 1.) Grain Combine Cleaning Shoe – a Light Weight, Multi-Material Design – Jeff Walter, John Deere Harvester Works
- 2.) Biomass Utilization and Technology – Lyle Stephens, Deere & Company Retiree
- 3.) Evening Speaker: The Enduring Legacy of Rock Island’s Farmall Works – Dennis Moran, Quad City area journalist and author

February 9, 2016 – Continuing Educational Seminar, Deere & Company World Headquarters, Moline. Attendance: 20

- 1.) Whitewater Project Management: Surviving and Succeeding in the High Stakes Rapids of Complex, Accelerated Projects by Wayne

Pferdehirt and Susan Ottmann of the Department of Engineering Professional Development at the University of Wisconsin, Madison.

March 22, 2016 – Thunder Bay Grille, Davenport, Iowa. Attendance: 60+

- 1) Solar Hydrogen & Ammonia Fuel Tractor & Fertilizer System, Jay Schmuecker, retired Jet Propulsion Laboratory engineer.
- 2) Evening Program: Section Awards Presentations including
- 3) a presentation by Orlin Johnson, recipient of the 2016 Outstanding Engineering Achievement Award on the development of the Case IH 140 Series Combines.

April 12, 2016 – Tour – joint with Iowa Section

- 1) Amana Farms Beef Feedlot
- 2) DuPont Industrial Bioscience
- 3) University of Iowa Hydrology Wave Basin and Miscanthus Pilot Project

2016-2017	Chair: Chance Corum	Committee Chairs:	
	Chair Elect: Carol Plouffe	Awards	David Smith
	Past Chair: Scott Clark	Communications	Tanisha Locklear
